July 2017

Dear Parents and Carers,

On behalf of West Pennard Church of England Primary School may I welcome you and your child into our caring environment.

The role of the Governing Body, in conjunction with the Head teacher, is the overall management of the school. This is organised by all governors serving on various Committees where the fine details of plans and decisions are made and brought forward to the main termly business meetings for final approval and adoption.

Governors have a responsibility for certain areas such as Health and Safety, Early Years, Special Educational Needs and Child Protection. All governors are attached to a curriculum area and liaise with the subject teacher on a regular basis.

The Governors have every confidence in the Head teacher and all her staff and firmly believe that the learning opportunities for pupils are excellent.

Our best wishes to your child as they join our school and may they enjoy great happiness and success.

Yours sincerely,

Sylvia Smith
Chair of Governors
