11th September 2014

To all the children at West Pennard VC Primary School
Rights Respecting School Award L2.
Congratulations!

We would like to say a very big thank you to all of you for making us so welcome when we came to see you at your school. We really enjoyed our day with you.

During our visit we met many of you (including RESPECTO!) and took a very interesting tour of your school. We saw your displays and learnt about how you share your learning about children's rights.

We met with groups of you and you were able to tell us about the importance of being rights respecting global citizens and to describe how you are all working together to achieve the Rights Respecting Schools Award. You explained to us that the UNCRC is for all children everywhere and described activities you were involved with to help ensure that all children are able to enjoy their rights.

We had meetings with your teachers, governors, parents and others who work at your school. These adults are all very proud of you and of everything you are doing at school to become rights respecting global citizens. So, we are really pleased to tell you that your efforts have been recognised and West Pennard Primary School is now a **Level 2 Rights Respecting School**.

We hope you will be encouraged to go even further working alongside UNICEF and acting as RRSA ambassadors in your community and with other schools. In this way, more people will understand about the United Nations Convention on the Rights of the Child and more children will know about and enjoy their rights.

With thanks and every good wish

Jilly Hillier and Will Jackson

RRSA Assessors for UNICEF UK
