Dear Parents/Carers

We believe that it is important to invite you to contribute to your child's school entry record.

The purpose of this questionnaire is to give you the opportunity to tell us anything that you would like us to know about your child.

Any information you feel able to give will help aid a smooth transition into school.

I look forward to having your child in my class and hope that he/she will settle quickly into school life with us at West Pennard.
