Newsletter: Summer No.2
Action: Whole School
Deadline: Monday 24th May

Dear Parents,

Extra-Curricular Clubs and After School Club (3:15pm-6:00pm)

This letter gives updated information regarding the (extra-curricular) clubs running after the half term holiday and should be read in conjunction with the revised clubs schedule attached.

Please pin both on your notice-board for easy reference.

Also attached is the After School Club (3:15pm-6:00pm) booking form for the Summer Term 2. Please complete this if you require your child to attend on either a regular basis or on specific dates. Payment for regular bookings should be made in advance, any additional sessions or extensions will then be invoiced at the end of term. Payment for irregular or one-off bookings should be made at the end of each session, or weekly in arrears. Due to the festival, this club will not run on 23rd June, 24th June, 25th June and 28th June.

General Information:

- Where a club is continuing on into the second half of the summer term priority will be given to those already in the club and then any children who are on a waiting list, but in this instance please still send in a reply slip.
- Children attending hockey club **MUST** wear shin pads and gum shields. Hockey will run whatever the weather. As fees for this club are non-refundable, Mr Fellowes will take the children to an inside space if it is wet and run an alternative active session.
- Teamtheme require parents to complete a separate booking form giving payment details and terms and conditions. Please complete the appropriate reply slip indicating your child's interest and return to the office. Teamtheme's booking form will then be forwarded for you to complete.
- If your child does not wish to continue with a particular club please indicate this on the appropriate slip.
- Unless there are extenuating circumstances we ask that any siblings of club members are collected at the usual time as you will appreciate there is no supervision for extra children. Please also collect club members promptly after clubs.
- When the weather is unsettled we rely on parents to check the website or ring the school after 2.30pm (a decision is made at 2:15pm) to check whether a club is running, so you can arrange to collect children at the normal time. For those children who normally travel on buses, unless we receive instructions to the contrary, we will assume they will take the bus home.

- **Please assume that children have been accepted into clubs unless we notify you to the contrary.** Children will be notified, on the last week of term, if they have a place in the club(s) requested. In addition, **a list of club members will be available to view in your child's classroom, from Wednesday 26th May.**

Mondays
