

# Weekly Newsletter

**Written for the Week Beginning 30<sup>th</sup> April 2018**

Dear Parents / Carers,

This week we had two of our fastest children take part in the inter-area junior cross country competition. Owen (Year 6) and Ollie (Year 4) were selected to take part in this due to their success in previous cross country meets. They represented Mendip and did very well against some very good runners. The Mendip team were congratulated with gold medals for being the overall winning team.

The children had their class photographs taken this week. Once we receive the proofs we will send them home so you can order online or via the school.

Next week, we warmly welcome Mr Wheat back to school. Initially, he will be working a reduced timetable. I am sure that you will join me in welcoming him back – he has been missed.

With kindness

Miss Jo Hale

The NHS website has some useful information.
