What is Taught   A broad and balanced curriculum   A broad and balanced	TO THE STATE OF TH	Curriculum		working on their own at times, but knows who and when to ask if they	and can work well as part of a team. They respond well to other people, listen to and value their ideas and can explain to help others. They ask for help when	and can ask questions. They look for patterns and connections, making links in learning. They become engrossed in what they are doing	imagination and ideas to demonstrate their understanding or express themselves in different ways. They enjoy learning and follow the lesson's direction, yet challenge themselves to show understanding	they have made progress and always aims for their very best. They are keen to impress and enjoy learning. They sit in a good work mode and put their hand up regularly to contribute	make the best use of the time that it is given before it flourishes into the next stage in its development. It knows where it wants to get to and works hard to make sure that it
