6<sup>th</sup> May 2022

Dear Parents/Carers,

Welcome back. We hope you all had an enjoyable Easter break.

Our topic this term is 'Living and Growing'. The children will be planting flowers, fruits and vegetables. We aim to take advantage of our beautiful outdoor environment and carry out the majority of our learning outside. As a class we will be learning about living things, observing and predicting change.

We are delighted with the children's progress in phonics. This term we will begin Phase 4 and focus on reading and writing simple sentences.

Reading books will be changed on a Monday and Thursday, so please ensure that your child returns their books on these days. Children will also have the opportunity to change their Library books on a Wednesday each week.

Homework books and Bug club online will be set on Thursdays. These are optional but it would be great if one of them could be completed.

Welly Walks/Forest School will continue each week, so please provide your child has a clearly named pair of wellington boots to keep in school.

Fox class will have a P.E session with our Sports Coach every Thursday during Summer 1. Please could children come into school dressed in PE kits on this day. As it is still a little chilly, we are more than happy for children to wear joggers and to wear their school sweatshirt over their PE top. Could children also bring a spare pair of socks with them as the field can sometimes still be damp first thing in the morning. We will be moving onto cricket and also preparing for sports day by learning new skills working as a team.

We are all looking forward to the coming term, and as always, please do not hesitate to contact us if you have any worries or concerns.

Many Thanks,

Mrs Amy Fowler and Mrs Caroline Free
