Written for the Week Beginning 1st July 2019

Dear Parents/Carers,

Thank you to everyone for their support on sports day – we hope that you enjoyed it as much as we did. It was great to see the children challenge themselves and demonstrate resilience in all races. I was particularly impressed with the amount of parents willing to show their children how it's done in the parents' race; we certainly have some competitive runners! A special thank you to Mr Bisgrove for organising the day which included morning field events as well as the track events in the afternoon.

As I write this we have just over 3 weeks until the end of term ... I can't quite believe that this academic year is almost over. I would like to take this opportunity to thank parents for their support over this year – I really appreciate your kindness. Next week we look forward to 'Move up Morning' where the children get to experience a taste of learning in their new classes. This is always an exciting day where we see children 'step up' and enjoy more independence and responsibility. Our Year 6s will also have a transition day to their new schools which comes with a combination of apprehension, anticipation and excitement. We wish them all a lovely day in their new schools.

Tomorrow (Friday 28th June) and Monday 1st July are INSET days. Enjoy your long weekend whatever you are up to – it looks like sunshine is on the cards.

With warm wishes
Jo Hale
