#### Dear Parents/Carers,

The sun shone brightly, as did many of our Year 6s this week, as they enjoyed their residential at Osmington Bay, near Weymouth. The children have experienced abseiling, kayaking, archery, fencing, problem solving and THE GIANT SWING – even Miss Harding had a go! The children have had a whale of a time, by all accounts. We look forward to hearing all about it as they return this afternoon. Year 5 will be next to go on a residential, visiting Kilve from 16<sup>th</sup> – 18<sup>th</sup> October and having a go at activities such as climbing, grass sledging, den building and environmental art. We very much look forward to this experience and seeing the Year 5 children shine.

In school this week, the classes have also been in 'full swing', with lots of really good learning going on in each class and in all areas of the curriculum. **Fox Class** have been using blackberries to make their own paint.... and discovered they don't make black paint! **Dormouse Class** have been designing new chairs for Charlie Cook, linked to their work on 'Charlie Cook's Favourite Book'. **Mole Class** have continued their learning based on moles, completing 'part, part mole' models in Maths and even moving on to 'party, party moles!'. **Hare Class** have been working on using an accurate eye when drawing Harris whilst also providing each other with positive feedback and support to help them improve their drawings over time. **Squirrel Class** have been preparing letters to Mendip District Council opposing the new Glastonbury bypass in an attempt to protect the habitats of their class animal. **Otter Class** have launched into their work on Space, learning how to brush their teeth in space with the help of astronaut Chris Hadfield, author of their class text 'The Darkest Dark'.

With my very best wishes **Tony Wheat** 

## Quote of the week

A sweet friendship refreshes our soul – Proverbs 27 v9

#### Class Attendance

Please see below class attendance figures for last week:

. . . . . . . . . . . . . . . .

| Fox:      | 98.7% |
|-----------|-------|
| Dormouse: | 97.7% |
| Mole:     | 95.9% |
| Hare:     | 99.4% |
| Squirrel: | 97.6% |
| Otter:    | 99.6% |
| Hedgehog: | 97.9% |

Congratulations to **Otter Class** for having the highest attendance last week!

Well done to the following children, who were chosen as the class 'Stars of the Week' for today's assembly:

- Year 1: Jacob & Sol
- Year 2: Antoine & Jacob D
- Year 3: Hugo & Harriet
- Year 4: Krystal & Fred
- Year 5: Harry & Vienna

The children are able to wear their 'star' badge for the week.

Please can children return their badges to a member of staff in the school office the following Friday.

If your child has received an award outside of school, then we would love to be able to present them with it in our weekly celebration assembly.

#### Drop off and pick up

Recently, we have noticed a few of the younger children in the school having difficulty settling when dropped off first thing in the morning. Accompanying your child into class or the playground and having a 'prolonged goodbye' doesn't always help the situation, even though, as parents, we naturally endeavour to ease our child's upset by staying and comforting them. Can we remind you that it is only the very youngest children in Reception Class that need escorting to the classroom. Bus children are escorted safely off the bus and walk themselves into the playground or classes to drop off bags. Children in Year 1 or 2 that do not arrive by bus should be dropped off at the gate and should then make their own way in to drop off bags and coats. By fostering independence in our children we in turn create an 'I can' attitude, which will undoubtedly be positive for school life and life in general.

Can we also remind you that the school day ends at 3:15pm. Due to the busy nature of Church Lane, we have a member of staff on duty in the gate playground until 3:25pm. At this time, teachers often have to get to meetings or prepare work for the following day. If children are not collected by 3:25pm then they will be taken to our after school club provision and a charge will incur.

Thank you for your cooperation with this.

#### Visit from St John's Ambulance

Thank you to St John's Ambulance who came to take first aid workshops with some of the children in year 6, 4, 2 and 1. The modules covered included what to do in an emergency situation; carrying out a primary survey, bleeding and bandaging, choking and making 999 calls. Mrs Wade will be continuing to hold first aid lessons with the children. Years three and five will take part in the workshop from St John's Ambulance in the Spring term.

## Forthcoming Harvest Services

## The Big Question Board

This week's Big Question has been What are the <u>3</u> most important qualities to have in a friend?

It has clearly been tricky to confine ourselves to just three words. Answers this week have included 'Caring, sharing, honest' 'Helpful, kind, forgiving' 'Trust, respect, happiness' 'Kind, loving, honest'

The qualities most often mentioned were **honesty, respect** and **kindness**.

I wonder how you would have answered this question. If you do have any responses to this (and other Big Questions in subsequent weeks) please send them into school, we would love to share the debate with you!

We had a great day as a school exploring our Christian value of friendship. We discussed giving compliments, made biscuits to give to our friends, thought about the qualities we want in a friend as well as thinking about how we could be a good friend ourselves.

## <u>Parking</u>

Following our important notice regarding parking in last week's Newsletter, some parents are still parking on New Town Lane between the Village Hall and the bottom of Church Lane. This makes it very dangerous for both drivers and pedestrians and very difficult for other vehicles, particularly the coaches trying to get past them and turn in or out of Church Lane. Please, please do not park in this area.
