

Weekly Newsletter

Written for the Week Beginning 24th September 2018

Dear Parents/Carers,

It has been lovely having our Reception Class children in full time with us this week. They are getting used to being in school and have enjoyed playing out on the field with the older children. It has been particularly special seeing older siblings showing so much care towards their younger brothers and sisters and they seem really proud to have them in school.

On Wednesday I visited the Reception Class with our school community Koinonia bowl. Each child enjoyed choosing a pebble to put in the bowl to signify their belonging in our Christian community. The children who have siblings or other family members or friends in the school enjoyed the idea of joining their older brother, sister, cousin or friend by putting a pebble in the bowl. The Koinonia bowl is very much a focal point in our worship time.

With very warm wishes

Go Green and Blue for Earth Day

We have decided to have a muffin day to raise money and raise awareness of the importance of looking after our beautiful planet.

On Wednesday 26th September, we would like everyone to come to school wearing blue and green to reflect our planet for a suggested donation of £1 per child.

We hope to spend the money on sponsoring an animal for every class in the school through WWF.

So ... remember to wear blue and green on 26.09.18

Roald Dahl Day

Year 3 took part in Roald Dahl day last week, please see below some of the children dressed up.

Long Hair

Please can children with hair longer than shoulder length come to school with it tied back. This is much safer for PE and other practical activities such as art and also reduces the spread of headlice.

Flu Immunisations

Please return the flu forms by Friday 28th September.

Office Opening Times

Please note the office is open between **8.30am-3.45pm**. The office will be locked after this time.

FWPS Christmas Fair

Our first Christmas Fair planning meeting will take place on Monday 1st October at The Crown Inn, Pilton at 7:30pm. Please do come along - it's one of the biggest events of our year and we're always happy to hear new ideas. It would be great to see some new faces.

This is open to ALL parents and friends of the school (no need to be on the committee, be a class rep etc - everyone is welcome!) and we do need volunteers who can offer any help at all in the run up and on the night itself. Come along - no commitment, and as the saying goes, "Many hands make light work."

We look forward to seeing you!

Dates for the week ahead

Wednesday 26 th September	Earth day - wear blue and green
